wolf moon
paw print promises

The moon reminds us we can begin again.

wolf moon paw print promises

The Wolf Moon is a full moon that reminds us of wolves: brave hearts, calm minds and caring for our pack.

In each paw print, write one promise you want to practice this month. Keep your promises simple and kind. Once you're done, cut out the paw prints and glue them to your Wolf Moon poster.

Here's some examples of things you might write: I will be brave. I will ask for help. I will try one new food. I will practice, not quit. I will use a calm voice. I will help my pack. If you'd like you can pick 1 promise for school, 1 for home, 1 for friends and 1 for YOU!
